

APRIL 30TH IS COMING!

DOES THE ATS PTA HAVE YOUR IMAGES?

The deadline to ensure that your child is featured in the ATS yearbook is coming - and you won't want to miss it! The ATS PTA needs three things to make the yearbook complete:

1. Your child's responses to the [student survey](#), so we can include quotes throughout the book.
2. Candid pictures and screenshots of your child in school.

On store.shopyearbook.com/ATSYearbook, you should see a camera icon, followed by "Share photos with this yearbook." Please be sure to use the drop down menu when transferring your shots/artwork so we know where to include them in the yearbook.

Scoring a goal, skiing the double black diamond trail, hiking with grandma...all adorbs. However, please note that **pictures submitted for the yearbook should be of your child (virtually) participating in ATS activities.**

3. Colorful doodles! Our hope is that we can include pieces from each grade to use throughout the book.

If your child loves to draw, please have them create their interpretation of the "PAWS to Read!" theme. Kindly submit artwork either as a JPEG or a PNG at store.shopyearbook.com/ATSYearbook (upload at share photos, section **Paws to Read artwork**), or in hard copy to the ATS front office.

As a reminder, in light of the financial strain on many of us this year, the PTA is providing a digital copy of the yearbook at no cost to ATS families.

If you would like a hard copy keepsake, that is an option too. This year, yearbooks are only available for [order online](#) and will be shipped directly to you. No pick up required!
